Remarks Friday, February 14th

The first part of there 24 ours
~~Light~~ variable winds & weather
Stood up the Bay with fresh easterly
winds
at 4 P.M. struck on Sand Bank at the
mouth of Porto St Antonio and lay
about 3/4 of an our unfloat off
and hold to the Southward
at 8 P.M. took a sharp Squall
from the westward attended with
Squitting & rain. Lost reef
Fore and main top sail and hauled
Light Sail
at 11 P.M. hauled Sail
Crotch on procession
to the Barab Reef
Broke out provision
to 66 keel

Saturday part much the same
as the first

Remarks Saturday, February 15th

The first part of there 24 ours Light
winds and pleasant
at 10 P.M. tacked Ship standing ESE
at 12 P.M. tacked Ship standing SWS
all the middle part fresh southerly
wind and cloudy & beate to the
windward through the night

the saturday part part variable winds
and calms
No more whale
sounded this day

Remarks Sunday, February 16th

The first part of there 24 ours Light
winds & calms

The middle part Light Easterly
winds and pleasant weather
at day Light the entrance
of St Joseph Bay bearing SWS
distance 8 miles. Light variable winds
& calms
at 6 P.M. Light southerly breeze
beat to the windward
at 8 P.M. Light breeze from the
SE & stood in the Bay and at
11 P.M. came to with the best
power in 10 fathoms about 1 mile from
the shore. Cleared out decks
part the crew on shore
Saw this day only with fresh
breeze and pleasant
No more whale

Remarks Monday February 17th

These hours begins with fresh breeze
and pleasant weather people ashore
gaining brisk winds from the N.W.

The middle part fresh gales and
blowing at 4 o'clock whaled
under land and out the Bay
under light sails and came
to 4 o'clock
people employed sending down
fore and main top sails and
main top gallant sail and
main top sail yards
carpenters fixing the yards
